

# HOW YOU CAN SUPPORT FOSTERING THE FAMILY

It takes a village.

## PRAYER

By spending a few moments in daily prayer, children, families, and the community can see a BIG DIFFERENCE

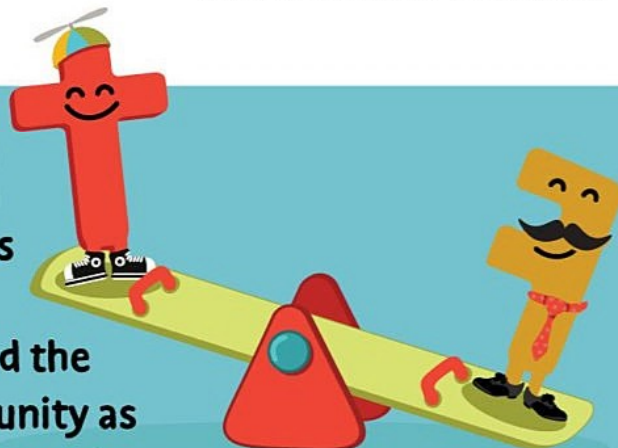

## DONATE

Donations like time, money, and supplies, received from YOU can provide families with much needed resources.

## VOLUNTEER

We understand it takes a village. Give back by helping families around the home, or in the community as a whole or even a local event.

## ADVOCATE

You do not have to be a foster parent to make an impact. By joining the program you can help care for kids.
