

# Fostering the Family Strategic Plan

**Fostering**  
THE FAMILY

**We ignite churches and communities to support foster and adoptive families.  
We are a bridge ministry, networking and connecting resources and relationships through the state!**

Our mission is to see South Carolina children grow up to be empowered citizens who can effect change within their own communities and break the cycle of poverty, spiritual impoverishment, trafficking, homelessness, and incarceration in their future families and reduce the number of children who are orphaned.
